

FAMILY NEWS

We have a great need for prayer right now. We have several with health issues. **Tim Fulbright** is recovering from surgery, our sister **Beverly Aylor** had surgery on her hip, and baby **Nolan Whittington** had to spend a couple extra days in the hospital. Please pray for these and others that need the Lord's blessing. We had a great turn out this past Labor day for the barbeque at the **Hyde** home. Thank you to all who helped make this a great time of fun and fellowship. This Sunday, the 7th is our church family potluck following evening services. We're having an old fashioned beans and cornbread supper. Let's all come together this Lord's day for worship, fellowship, and the love of God.

Asking the Right Questions

This Sunday we're going to begin a series on worship. There's a great many books, blogs, and opinions on the worship of God. In this series we're going to look at answering the questions of how, when, and why we worship. Seeking answers to our questions in God's Word.

"Yet a time is coming and has now come when the true worshipers will worship the Father in spirit and truth, for they are the kind of worshipers the Father seeks. 24 God is spirit, and his worshipers must worship in spirit and in truth." John 4:23-24 NIV

We all want to be true worshipers of God, but in order to do this we must ask the right questions. Let's join together to explore God's Word that we might grow in our worship to our great God.

May the Lord bless us as we join together to seek his truth and live for him.

Your brother,
Jimmy Hyde

YOUTH NEWS

By **NATHAN KELLY**

I failed to mention this in class last week; our first AWTG is September 7th. We will leave the building at 3:40 and should be back around 8. Also, we are about a week away from the big Road Trip. Kids will need to bring clothes to change into, something to sleep on or in, and some money. They need to eat dinner either before we leave or on the van and they'll need money for one lunch and any snacks they might want.

Don't you hate being sick. I've had some congestion for about two weeks now and I'm fed up with it. Sometimes I think my body is trying to tell me to slow down but then, I want to tell my body to speed up. A week was fine, but not two. Spiritually, a lot of us are sick. We take every opportunity to slow down. We've convinced ourselves that we need rest and time to heal when we've been "healing" for years. Of course we all need a break every now and then, but don't let yourself get too comfortable.
