## FAMILY NEWS

We had a great Sunday this last week. We not only enjoyed some great worship, but a reception honoring our long time minister **Dwyane Dennis**, and a potluck. Two different times in one day where we had lots of cake and deserts. That is sweet. We have a lot of great things to look forward to; our Valentine dinner is this Friday the 13th, secret prayer sisters is starting back up, and Ladies Bible class on Wednesday evening will be starting up March 4th. Let's take full advantage of all our opportunities to get closer to God and each other. God bless our church family.

### Challenging Change

Change is almost always a challenging experience. Let's face it, we all like most things to stay the way they are. Like computer software, why can't they leave the buttons alone and stop rearranging them. Change in our Christian life is an important necessity for growth. Some things will never change. Jesus' teaching's never change, but we do. We all should be growing and changing to be more like Jesus.

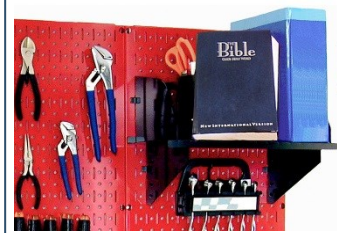

**"A student is not above his teacher, nor a servant above his master. It is enough for the student to be like his teacher, and the servant like his master. If the head of the house has been called Beelzebub, how much more the members of his household!"**

**Matthew 10:24-25 NIV**

Here's an unusual place in scripture where Jesus says we should be like Him, persecuted. As we grow and mature in our faith we should become more and more like Jesus in every way.

Let's come together this Lord's day to learn, love, and grow.

## YOUTH NEWS

By **NATHAN KELLY**

I had a great weekend, a long weekend, but great nonetheless. **Joe Curtis, Scott Perry, Kyle Perry, Austin Beard, Brandon Gober, Mark Michener**, and I went to Burnt Cabin, where we helped **Sam Yaws** with various projects as he prepares to build a new cabin. I wouldn't call the work I did fun, but it was a good time, and we were blessed with great weather. So thank you for those who went and I'm sure there will be another trip in the near future.

With last weekend on my mind, I want to briefly talk about the importance of spreading the Gospel. Last weekend most of us had the sole job of pulling nails out of boards so the boards could be reused. If it wasn't for the fellowship then it would have been really boring. We know the purpose of our work but we don't get to see the how our little work will benefit the big picture just yet. We may not ever really see it in the big picture, but our work was still important. So is our work as disciples. Our job is to spread the Gospel. We may not always see how our words and actions, or lack of words and actions, benefit those around us, but it doesn't mean what we do here on Earth isn't important. So be that light and don't be afraid to talk about our God, even if it is briefly. All we have to do is plant the seed.

We are beginning a new round of Secret Prayer Sisters in March and it will go through May. The main emphasis of this is to pray and encourage one another and to grow closer as spiritual sisters. If you wish to participate please see Michelle to get a form to fill out about yourself and the guidelines. This time Michelle will keep a copy of the forms and one of our men (it's a secret) will have a list of who has drawn whose name. There is also a bulletin board in the office hallway that we will use to post notes on. For any questions or concerns please see **Michelle**.
