FAMILY NEWS

We have a great many things going on in our church family right now. Please continue to pray for those recovering from surgery and sickness. At this time every seems to be out of the hospital. I want to remind you again to invite your friends and family to our Friends and Family Day coming up three weeks from this Sunday, on April 19th. Pick up some invitations and hand them out. Be in prayer for everyone you are inviting. Continue to pray for our kids going to LTC. In about a week we will be traveling to Arkansas for the convention. Pray that God will bless our families with safety and our kids with courage. May God bless us all as we bring Him glory and honor in our everyday lives.

Suffering for Good

No one likes to suffer. Most of us avoid suffering as much as possible. That's why no one wants to go to the dentist, right? Of course Christ has called us to suffer in His name. We suffer for the sake of Christ to bring glory to God, save lost souls, and bless the church. We should also remember that suffering blesses our own lives.

“Therefore, since Christ suffered in his body, arm yourselves also with the same attitude, because he who has suffered in his body is done with sin. 2 As a result, he does not live the rest of his earthly life for evil human desires, but rather for the will of God.”

1 Peter 4:1-2 NIV

Let's come together to study God's word and consider how suffering in this life can be a good thing and can help us stand up to sin and the evil one. See you Sunday.

Jimmy Hyde

YOUTH NEWS

By **NATHAN KELLY**

This Sunday is our last Sunday of LTC practices. That's exciting and nerve racking, though probably more nerve racking for the coaches. Please come prepared for this last practice. I hope I speak for all the coaches when I say that we're thankful for all the work you've put in and we're proud of you. Soon you'll be able to take Sunday afternoon naps again.

Last weekend Kylee and I hung out in downtown Edmond where a lot of food trucks were parked. It happens once a month and this was our first time to go. After looking around at my options, I found myself basing what I wanted to eat off the lines I saw. I didn't want to try a food truck if there wasn't a line. They must not be that good. If the line was too long, then I wondered if it was really worth my time. Obviously I take food seriously. Sometimes we view Christianity as a really long line that may not be worth our time. We want it to be a long enough line that we know it's worth it, but not too long and never too short. Reality check is that there is no short line for Christianity. It's a long line, but it's worth your time. Not that we'll need food in heaven, but I'm sure there's some great food too!
