FAMILY NEWS

This Sunday is our Friends and Family Day. My hope and prayer is that God will bless all our work and preparation for this special day of worship, fellowship, and sharing our faith. All adult classes will meet in the auditorium for Bible class, worship together, and then share a meal together over at the municipal auditorium. I want to thank all of you who have worked so hard praying, inviting, and making preparations. It's still not too late to invite those who are on your heart. Continue to encourage and extend the grace and hospitality of our Lord as we approach this special day. Also we still have many who are in need of our prayers and support. Keep up the good work, church family.

Savior and Friend

Monty Pettyjohn will be sharing a lesson with us entitled "He called him friend". This lesson will bring together the inextricable relationship between Christ's friendship with us and his identity as a Savior. This will be an encouraging reminder of what a wonderful Savior Jesus has been for us as His followers; and the wonderful Savior He wants to be for those outside the grace of God. Jesus says in John 15:15-16

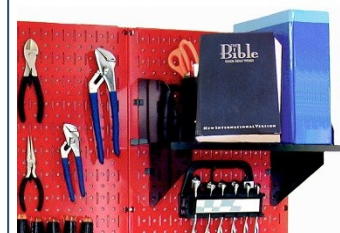

"I no longer call you servants, because a servant does not know his master's business. Instead, I have called you friends, for everything that I learned from my Father I have made known to you."

John 15:15-16 NIV

Make sure to join us for a great day of Bible study, worship, and fellowship. Also remember all adult classes will meet in the auditorium for Bible class.

See you this Sunday and bring everyone you know. May God bless us as we serve and live for Him.

YOUTH NEWS

By **NATHAN KELLY**

Let's try this again. The volleyball tournament is Sunday. We will leave right after our Friends and Family luncheon. So bring your clothes and eat fast, but not too fast. Bring a dollar or two because hopefully we can get snow cones afterwards. Sorry for making this so confusing. Also, I'm planning something for May 2nd. I'm not giving out more information yet because if it falls through I don't want to disappoint you. Keep that day open.

I want you to think about food right now. Would you rather have a veggie tray or a plate of cookies? Now I'm sure most of us would say cookies, and if they were fresh out of the oven then all of us would say cookies. We want to fill ourselves with junk more often than not. When we do that, we just aren't hungry for something that's good for us. I want you to compare your spiritual life to those of the 1st century church. I see a hunger in their lives that is lacking in most of ours. We are filling ourselves with junk and we just don't seem to be very hungry. We aren't leaving room for God in our lives like they seemed to be doing. Enjoy physical junk food, but spiritually stay away.

16 Books of the Bible

Can you find 16 books of the Bible in the paragraph below?

I once made a remark about the hidden books of the Bible. It was a lulu, kept people looking so hard for facts, and for others, it was a revelation. Some were in a jam, especially since the names of the books are not capitalized, but the truth finally struck home to numbers of readers. To others, it was a real job. We want it to be a most fascinating few moments for you. Yes, there will be some really easy ones to spot. Others may require judges to help them. I will quickly admit it usually takes a minister to find one of the 16 and there will be loud lamentations when it is found. A little lady says she brews a cup of tea so she can concentrate better. See how well you compete. Relax now, for there are really sixteen names of the books of the Bible in these sentences.
