## FAMILY NEWS

Summer vacation is over and school is starting back up. We need to be in prayer for all our kids in school. This is an important time of learning and growing. We need to pray for all of our parents as they teach and raise their children in the Lord. We will have many great opportunities to grow, serve, and love together this fall. One great opportunity will be our family retreat this fall. I want to encourage all of our families with kids to reserve October 23rd and 24th on your calendar. We will head down to Burnt Cabin and have a great weekend of fun, fellowship, and edifying lessons on being the family Christ calls us to be. An information and registration form will be available this Sunday. Keep living for His church family.

### Do You Have A Jesus Attitude?

Maybe you've heard the expression "attitude determines altitude." In other words, if you have a good attitude your spirit will be high, but if you have a bad attitude your spirit will be low. As a Christian what should my attitude be in life? Does my attitude depend on my situation or should I have the same attitude no matter what's going on in my life?

**"You were taught, with regard to your former way of life, to put off your old self, which is being corrupted by its deceitful desires; to be made new in the attitude of your minds; and to put on the new self, created to be like God in true righteousness and holiness."**

**Ephesians 4:22-24 NIV**

Let's join together this Lord's day and discover what scripture has to tell us about our new attitude's in Christ. See you soon.

Jimmy Hyde**

## YOUTH NEWS

By **NATHAN KELLY**

The summer AWTG's are over. I know I've said it already, but thank you to all those who drove the kids. I'm blessed to work with a congregation that's so willing to help. Friday, the 14th, Northridge is hosting a Back to School bash. It starts at 6 and ends around 8 I believe. We're just going to meet there. School starts this week. So good luck to all the kids.

This past Sunday **Eric Park** found himself with the opportunity step up and teach class. Now if you know Eric at all, you know that he has no problem talking in front of others. This situation was last minute though and he didn't hesitate to step up. I was floored that he was willing to step up with such short notice and teach. I would never have done that at his age, and even today I would still hesitate. I was out of town and unable to sit in on his class, but after asking some of the teens I heard he did a really good job. I'm very proud of Eric and I'm lucky to have him as a leader in the youth group.
