FAMILY NEWS

We have a great church family here at Central. We are richly blessed in so many ways. Together we have so much talent, love, generosity, wisdom, knowledge of God's Word, and the list goes on and on. I want to thank all of you that participated in our workshop this past weekend. We were a little down on our numbers and still need more to sign up for the campaign. Let's all unite in prayer as we work together for our campaign. We have several struggling with health issues at home and healing up from surgery. We also have many struggling spiritually in life. Continue to be used by God to bless these people, encouraging them, and building them up in the faith.

Making Disciples

Sharing the Gospel with the lost is so important. God loves everyone and wants all to be saved by the blood of his Son. But how has God chosen to bring this good news of salvation to the lost? Through those who have already been saved. For all of us who have become disciples of Christ we are called to go and make other people disciples of Jesus.

"Then Jesus came to them and said, "All authority in heaven and on earth has been given to me. Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you."

Matthew 28:18-20 NIV

Jesus told his Apostles to go and make disciples. How do you "make" a disciple? I thought we just sow seed and God gives the increase?

Let's join together this Lord's day to study God's word concerning this great commission to make disciples. God bless you this week as you live for Him.

Your brother
Jimmy Hyde

PRAYER CONCERNS

Emma White is having trouble with Hepatitis C. She has had it for years but it has remained dormant. Now it is attacking her liver. She is waiting for an appointment at the Liver Center either at OU Medical Center or Baptist Hospital. Please pray for her that the doctors will know how to help her and that she might have God's loving comfort.

Brie Perry spent some time in the St. Anthony, Shawnee emergency room this past Sunday with chest pains and nausea. She was able to return home but is still not better at this time.

Sue Reidel fell this past week and broke her leg. They did not put her in a cast but she has to stay in bed. She has returned home to Shawnee Care Center, Room #202. We pray she will have a quick and full recovery.

Frank Burton had cataract surgery on both of his eyes this past Wednesday. All went well and he is home now.

Winona Seikel also had cataract surgery on Thursday. Hers went very well also and she is now home.

 We express our deep sympathy and love to **Ken and Hillary Whittington** and all the Whittington family in the loss of Ken's grandfather, **John Whittington**. John departed this life on Monday, April 11th. The service will be this week in Enid, OK.

"Now may the God of hope fill you with all joy and peace in believing, that you may abound in hope by the power of the Holy Spirit."

Romans 15:13

The miracle of joy is this: It happens when there is no apparent reason for it. Circumstances may call for despair. Yet something different rouses itself inside us...We are able to remember what the sunrise looks like...We remember God. We remember He is love. We remember He is near.

YOUTH NEWS

By **NATHAN KELLY**

EPIC is probably over if you're reading this on Sunday morning. I'm sure it was great, but since my article is pre-EPIC you'll have to wait a week to hear about it. We do have a dinner-n-devo at Alex and Austin's. I'm also going to need some help come summer time. Starting in June, the AWTG will meet every Monday evening. I'm going to need some drivers to help shuttle the kids to and from. It would really help me out. Look for a sign up sheet soon.

When I was a teen, my dad would make me mow the lawn. I hated it. It was something that I had to do, forced to do. I would vent out loud while mowing, because no one could hear me over the motor. I probably looked crazy, but I felt better. Today, mowing still isn't enjoyable but it's not nearly as bad. I know I have to do it, but it's not forced upon me. For many of us, we grew up in the church. Our parents would make us go unless we were sick, and sometimes even then. We didn't always enjoy it because it's not where we wanted to be. Only when we're older do we appreciate the benefits of church service, even on those days we have to convince ourselves to go. Now I am still not convinced that mowing my lawn is good for me, but I know our worship and fellowship is what I need in life.

 Please remember all the youth and adult sponsors in your prayers as they participate in **EPIC** this weekend. We know they will all do great!

RANGERS BASEBALL GAME

Don't forget to get your tickets for the Rangers Baseball game on Saturday, June 25th. This is the Ranger's Family Day sponsored by Braum's. The tickets are only \$13 and include a Braum's combo meal. The seats are behind 3rd base and will be in the shade. **Tami Perry** only has so many tickets and when they are gone, they are gone. Tami has already paid for them and so we need to get ours. We are very thankful to Tami organizing this.

CONTINUING PRAYER CONCERNS
