FAMILY NEWS

God has been so good to us here at Central. We have several we've been praying for that have been healed. We praise God for our answered prayers. We still have several with sickness or surgery coming up. Please be in prayer for all those who are recovering and healing. We also will have our new Bible classes starting up in September. I want to thank Michelle McKnight for organizing our teachers for cradle roll to 5th grade. We will also have a monthly dinner on the first Wednesday night of every month. This will make it convenient for those working and with kids. On that first Wednesday night you can come to the church building for dinner and enjoy fellowship until Bible class starts. We will also have a special Wednesday night Bible class for young families. I'm calling it a Marriage and Family Bible study. We will focus on Biblical principles for families. My goal is for us to keep it positive and encouraging. I also would like for us to reach out to all of our young married and young families to encourage them to come to the class. May God bless us as we live and work for Him.

The Devil's Gonna Get it.

Do you ever feel like the world is winning and the church is losing? There's so many ways it seems like the devil is gaining ground and the Lord's Church is losing it. Even in the Bible you read time and time again where the Devil wins. No one wants to see the bad guy win; especially the Devil. So it's good to remind ourselves that the Devil will lose in the end. He has been destroyed. Here's a statement about Jesus and how He dealt with the Devil.

"Since the children have flesh and blood, he too shared in their humanity so that by his death he might destroy him who holds the power of death — that is, the devil— and free those who all their lives were held in slavery by their fear of death." Heb 2:14-16 NIV

May we always focus on the fact that the Devil has been defeated. We have been given the victory in Jesus Christ our Lord.

See you this Sunday.

Your brother

Jimmy Hyde

PRAYER CONCERNS

Chad Beard was able to return home on Monday after a successful surgery on Friday. He continues to struggle with pain and headaches. Please remember Chad and his family in your daily prayers.

Winona Seikel's daughter, **Max Ann Klein**, had a great report after her surgery to remove a spot from her thyroid. The doctor says it does not look like it had spread anywhere and he thinks it was all removed. He will know for certain after a MRI this Thursday. Let Winona know that we are thankful to God and rejoice with her.

Mark Farris, the brother of **Roger Farris**, suffered a heart attack last week. He is now home recovering. Please keep Mark and his family in your prayers.

Please keep **Margie** and **Henry Arthur** in your prayers. Margie's stepfather in Detroit, has been taken off life support and is not expected to last long.

MEAL TRAIN

Church family, you may have noticed, if you have a current email address in our online Instant Church Directory, that you have received some emails from Meal Train. This is just a simple online application that makes it easier to schedule meals to be taken to our church family members when needed. Hopefully, we will also be able to schedule things like sitting with someone in the hospital, help with housework or children or organize rides, mow yards, and even our potlucks. There are so many people that we like to speak with when we come to a church service that we can't always talk to the one organizing the help and often intend to call the person but forget. Our church family has our own Meal Train site that you can look at anytime you want and see where help is needed and to sign up when it is convenient for you. Anyone from our church family is able to set up and organize a meal train for our group on our site. We will continue to have in our announcements and bulletins when we are organizing meals or help and you can speak directly with the organizer if you would prefer. Just because you get an email does not mean you HAVE to sign up. This is just one method to get out information. You can find our site at: mealtrain.com/centralchurchofchrist - no spaces. Please see Michelle if you have any questions.

YOUTH NEWS

By **NATHAN KELLY**

First off, I really need to thank Joe Curtis for stepping up last minute to drive the teens to the area wide last Monday. He really helped me out. Also, this month's dinner and devo will be hosted by the Park family and has been moved back to August 26.

Jones is at this stage in life where she will mimic or imitate your actions. If I walk across the floor to get something, so will she. If I squat down to show her something, she will squat down too. We are told in Genesis 1 that we are made in God's image. I've read some ideas on what that could mean, but the one that I like the most is that we are made to be imitators of God. We are made to be a mirror and reflect Him on the world. Paul says in Ephesians 5:1-2 to imitate Christ and His love as CHILDREN. That's the key word. As adults we can see this as work, but children imitate because it's fun and because they look up to that person. So let's be more like children and start looking up to God.

FIRST WEDNESDAY NIGHT DINNER

We are going to try a new program out to see if this will be a benefit to our church family members. Beginning on Wednesday, September 5th we will have a meal from 5:30 to 6:30 in our fellowship room. This is for everyone to come enjoy a meal and some great fellowship before our midweek classes. It will be a very simple meal and the menu will be in the previous week's bulletin. For those with food allergies or children who just do not like what is being served, bring along your own PBJ and don't miss out on the fellowship! It is asked that if you are able, please donate \$2 for adults and \$1 for children who will be eating. If this is something that our church family appreciates and if there are volunteers to commit to once a month organizing and cleaning up, we can add additional weeks and rotate hosts. We are a family and your input is always encouraged, please let the elders, Jimmy or Michelle know if this is something that you think is worthwhile to continue.
