FAMILY NEWS

God is good. We have been enjoying some unusually cooler weather for August. We still have several needing our prayers. Some are struggling with physical health problems and other with spiritual problems. Let's all be in prayer for one another. We have our end of the month singing service this Sunday night. I want to encourage all of you to come and be a part of this important time of worship and fellowship. We also will have our new Bible classes starting up in a little over one week. On September 9th and 12th we will begin our new quarters. We will be trying something new on Wednesday nights. On the first Wednesday night of every month we will share a meal together at the church building before classes start. We will also have a special Wednesday night Bible class for young families. I'm calling it a Marriage and Family Bible study. We will focus on Biblical principles for families. My goal is for us to keep it positive and encouraging. I also would like for us to reach out to all of our young married and young families to encourage them to come to the class. May God be glorified in everything we do.

Sharing a Meal of Memories

Every week we share the Lord's supper together. We take the unleavened bread and the grape juice remembering Jesus' body and blood. But what's the purpose in taking the Lord's supper together? Is it deeper than remembering Jesus' flesh and blood?

"And he took bread, gave thanks and broke it, and gave it to them, saying, "This is my body given for you; do this in remembrance of me."

"In the same way, after the supper he took the cup, saying, "This cup is the new covenant in my blood, which is poured out for you." "Luke 22:19-21 NIV

Jesus wants us to remember Him. He wants us to remember His flesh and blood. Why? Why not have symbols of Jesus' love for us? Let's study together this Lord's day the significance of Jesus flesh and blood as we share the Lord's Supper together.

See you this Sunday.

Your brother

Jimmy Hyde

PRAYER CONCERNS

Chad Beard had a CT scan Wednesday and was told that all looks well in his head area. However, he is having additional symptoms that may or may not be related to the shunt and one of the doctors said he might need an MRI. Nothing is scheduled nor approved for now. The family had a difficult time Wednesday and were not able to see his main neurosurgeon because of surgical commitments. They need prayers for patience and also that the doctors and nurses seeing to his care will have some wisdom and little more empathy in dealing with **Chad's** complicated medical history and current symptoms.

Jim Lynn has been at home with the shingles. Please keep him in your prayers as he recovers.

Kenneth Epley is now home after going through therapy for a stroke. Please continue to keep him and Sara in your prayers.

WALL OF FAME STARS

How well do you know your Bible facts? Do you know the names of the books in the Bible? Do you know the Twelve Tribes of Israel? What about the names of the apostles? Our church family children study hard to memorize these facts and many more facts and verses. We want to encourage them and challenge everyone else too. In the coming weeks you will see a **"Wall of Fame"** going up outside the auditorium door going into the classroom wing with our **STARS** on it. STARS stands for **Seeking To Achieve Righteous Spirits**. You will also notice around the building various posters and teaching aids to help with this; there will even be a Books of the Bible floor runner in the upstairs hallway. When our children have a fact memorized we will reveal it during our announcements on Sunday morning and Wednesday evening services and they will have an icon of that fact put under their picture on the Wall of Fame. Please take time to congratulate and encourage these children on their achievements. Also, let **Rita Romberg** know what an incredible job she has done on getting all of this together! Ask Rita or one of our Bible teachers for a list of the facts the children are memorizing and challenge yourself to become one of our STARS.

YOUTH NEWS

By **NATHAN KELLY**

Do not forget our dinner and devo this Sunday after evening service at the home of the Park's. I am unsure of what Lysa will want everyone to bring, but I will text out that information when I receive it. Also, Mike Coghill at Choctaw is planning a little camp reunion on October 20-21, so keep that weekend free if you're interested in attending. It will be held at Choctaw Church of Christ.

Do you like routine or do you like spontaneity? I, personally, like routines and I have a general routine I follow every day of the week, but sometimes my daughters don't follow the routine and throw everything off. Those days are usually not my favorite, but sometimes it turns out even better. When it comes to our spiritual walks, we find ourselves getting stuck in routines because we find them comfortable and safe. We have to be careful of falling into these habits because we can quickly lose that passion that drives us. John tells the church in Ephesus in Revelations 2:4-5 not to forsake their first love. Routines are safe and can be good, but it's never a bad thing to change things up and keep that passion lit.
