FAMILY NEWS

God is good and God is great. We have had some great blessings lately. There are many who have been healed from sickness and surgery. We also have some who have found healing from spiritual sickness and struggle. May God continue to help us find blessings and healing in Him. As always, let's continue in prayer for those on our prayer list. We have our annual Hayride at the Stephens this Saturday November 10th beginning at 5 pm. There will be a warm camp fire, roasted hotdogs and marshmallows as well as a hayride for the kids. Make sure to join in on this great time of food, fun, and fellowship. Also make sure to invite someone to join you. There are many who feel like they're on the outside, looking in. Your invitation will help them feel loved. May God's love spread throughout our church family here at Central.

What are You Doing Here?

We've been talking all this year about getting to know God better. This Sunday I want us to consider a couple of men who got to experience God in a close up and personal way. They knew God better than other human beings in their time. Of course no one could see God directly without dying. Here's one of those recorded experiences of God's presence.

"The Lord said, "Go out and stand on the mountain in the presence of the Lord, for the Lord is about to pass by." Then a great and powerful wind tore the mountains apart and shattered the rocks before the Lord, but the Lord was not in the wind. After the wind there was an earthquake, but the Lord was not in the earthquake. After the earthquake came a fire, but the Lord was not in the fire. And after the fire came a gentle whisper."

1 Kings 19:11-12 NIV

After that experience a voice said to him; What are you doing here? Why did He ask that question? The man of God was afraid and needed God's help to motivate Him to do His will. Let's unite together this Sunday and gain a greater insight into who God is and what He has done.

See you soon.
Your brother
Jimmy Hyde

YOUTH NEWS

By **NATHAN KELLY**

This Sunday is that AWTG in Moore. I wanted to thank Craig McKnight for offering to drive the teens for me. I'm going to say that the van will leave around 4, but Craig might change that. I also want to make everyone aware that the next AWTG on December 2 is the trip to Chickasha, with Christmas lights to follow.

When you need help, do you typically ask for help or do you try to find the answer on your own? Today I wanted to look at Exodus 14:14-15. Israel is trapped between the Egyptians and Red Sea, so everyone is scared. Moses tries to take a little lesson out of futuristic psalm by David and tell everyone to be calm and trust in God's protection, which is good advice but God had another idea. God told Moses to take action instead of wait. He told Moses to move instead of stand still. Waiting is good, but sometimes we use it as an excuse. God might not want us to wait. God might want us to move.
