FAMILY NEWS

God is so good to us. Maybe it's the cold weather, but it seems like things are slow right now. Let's continue to pray for our brothers and sisters who are struggling physically as well as spiritually. One week from this Saturday we have a very important event coming up. On January 26th our ladies are hosting a teachers workshop. This is such an important event. If you have any interest in learning how to teach our kids Bible classes or you just want to help, please prayerfully consider signing up for this workshop. We also have our last Sunday of the month singing night a week from this Sunday on the 27th. Make sure you get your song request in to Dale Beard. We also have started back up from the holiday's our Recovery Through Christ meetings on Tuesday nights from 6:30 pm to 8 pm here in our library. If you know of anyone struggling with a life controlling issue encourage them to come to our meeting. We also will have our area-wide Leadership Banquet on March 8th, mark your calendars. This is a great time of food, fellowship, and edification for Elders, Deacons, Ministers, and their wives. May God guide us as we follow His Son.

Loving Like Our Lord

We're going to be talking about loving like Jesus loves for the next few weeks. What does it mean to love someone like Jesus loved them? How do I love my family, friends, neighbors, co-workers, and church family like Jesus did? What about those who hate me? What about my enemies that don't want to be loved? How do I love them? And why does Jesus call His command for His disciples to love one another a "new" command?

"A new command I give you: Love one another. As I have loved you, so you must love one another. By this all men will know that you are my disciples, if you love one another." John 13:34-35 NIV

Let's come together this Sunday to study God's word and come to a greater understanding of what it means to love others like Jesus loves us. Let's follow Him.

See you soon.
Your brother
Jimmy Hyde

PRAYER CONCERNS

Pam Snider, the daughter of **Dennis** and **Carol Brodersen** that lives in South Carolina, is not expected to be with us much longer. The doctors have moved her out of ICU into a regular private room so that the family may say goodbye. Please be in prayer for this family and for Dennis and Carol when they travel home.

ONLINE GIVING

Ron Taffe has given our congregation the ability to give online. He gave an announcement and short walk through the process a couple of weeks ago. He has made it extremely easy to get to, just go to our website at: shawneecentralcofc.org, click on the members tab and then the Online Offering tab. It will give you the options on how you would like to give, either right from your checking account or by using your debit or credit card. You also have the option to set it up where it automatically sends the amount you want each week. Several members have already set up the recurring offering and say it is very convenient—no more looking for the checkbook. You get an email on the morning you have your offering set for. This is also a great way to give for special one time offerings; in the box that asks "Give to" just click the down button and select Special Offering and then make a note of what you would like it to go to. If this is something you would be interested in but would like some help getting it set up please call Ron Taffe at 420-3446 or Michelle McKnight at 620-1234 and either one will be very happy to help you. Be sure to let Ron know how much we appreciate the work he done on this.

YOUTH NEWS

By **NATHAN KELLY**

Now that we've had our first LTC meeting, it's time to start focusing on that. I need to know what events your kids will be participating in ASAP so we can start working. Also, I'm sorry I forgot to get a sign-up sheet together for the monthly dinner and devos. Look for it on Sunday, and anyone who is reading this, please feel free to sign up.

I put my daughter to sleep the other day, and I started looking at her bed. She has started collecting/hoarding plush dolls to sleep with, and she knows when one is missing. She likes to keep them close. Psalms 119:11 tells us to keep God's word hidden in our hearts, but it doesn't just mean to hide His word, but to also store it or hoard it. Hoarding typically has a negative air about it because it usually is in reference to invaluable stuff we don't want to throw away, but when it comes to God's word, it's extremely valuable and we store it so that we can use it at a later time. My daughter might have hoarding in her genes, but hopefully she will hoard what is most important to us as Christians.
