FAMILY NEWS

God is great, His love endures forever. Great news. We have two new family members here at Central. Ethan Allen after studying with Steve Kelly and Jeff Lawrence and Jessica Norman after studying with Denise Beard and Lysa Park obeyed the Gospel this past week. Make sure to meet them and help them feel welcomed and loved. My family and I are visiting my wife's sister in Virginia. We will be gone for a couple weeks. I want to thank all of you for your prayers on behalf of my family and I as we travel. A big thank you to our shepherds for preaching in my absence. We have several in our church family in need of God's healing hand. A couple in the hospital and several others at home healing. Please keep all those on our prayer list in your thoughts and prayers. We also want to remember all those struggling spiritually.

A Prayer Challenge

This past Sunday night I challenged all of us individually and as a congregation to pray like the church in Antioch did. We looked at Acts 13 where they prayed and fasted seeking God's direction. We talked about our potential as a church family and all the good God can do. What can God do in us?

"Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen." Eph 3:20-21 NIV

I shared the story of a strong, broad-shouldered young man who had bragged he was the strongest and could beat anyone there on the construction site. An old workman challenged the young braggart that he could haul something in a wheelbarrow over to the other building that he wouldn't be able to wheel back. The prideful young man accepted his challenge. The old man reached out and grabbed the wheelbarrow by the handles. Then, nodding to the young man said, "All right, get in."

Let's jump in the wheelbarrow and allow God to take us where he wants us to be. God bless His church.

God bless you.

YOUTH NEWS

By **Nathan Kelly**

Thank you to all those who have been attending the AWTG's so far, and those who have driven. Jimmy drove to the last one and it was a huge help to me. I will need another driver for the one coming up on July 15 at Choctaw. The van will leave at 6:15.

Do you like exams? Some excel in those situations, while others hate it. It may be too obvious to realize, but the whole purpose of an exam is to examine what you know. Now, talking about scary. When it says "search me, O God," in Psalms 139, it's like asking us to take an exam. As if exams weren't scary enough, to have our lives examined can be terrifying, because we all don't like to open ourselves up like that. It's not always easy to be so trusting, even though we are reminded time and time again to do so. So, at the end of the day, we need to examine our own lives and ask ourselves where we chose not to follow or what scares us because of our lack of faith? It's not comfortable but it is helpful and sometimes needed!
