FAMILY NEWS

A focus for the week; God is Love. What an amazing reality to embrace and learn. As always, remember those on our prayer list. We also still have Bible studies going on so continue to pray for God's blessings on those leading these studies as well as the students. This coming Sunday evening is an area-wide singing event at Oklahoma Christian University. They will have singing lead by Ken Adam's and John Fletcher from 6 pm to 6:30 pm. The One Voice worship lead by area preachers and song leaders will begin at 6:30. We also have a special meeting to discuss the future of our building coming up September 26th. All Deacons and Elders will meet Thursday evening at 7 pm down in the fellowship room with a building planner to get ideas. May God bless our church family as we work to do His will.

Build a Firm Foundation

We all know that when you build a structure of any kind you need a good foundation. If you don't have a good foundation anything you build will be at risk of collapse. As we live our lives we build many different things. We build families, careers, even hobbies. What are we using to build the foundation for our lives? Jesus said;

"I will show you what he is like who comes to me and hears my words and puts them into practice. 48 He is like a man building a house, who dug down deep and laid the foundation on rock. When a flood came, the torrent struck that house but could not shake it, because it was well built." Luke 6:47-48 NIV

Jesus teaches us that we must put His teaching into practice in our lives if we're going to have a foundation that will survive the storms of life. Jesus also taught about the foolish man that built His house on sand and the storms came and totally destroyed that house.

Let's study these words of Jesus this coming Sunday morning and learn from Him how to have a successful life built on the foundation of His teaching.

See you this Sunday.
Your brother in Christ,
Jimmy Hyde

IN OUR Thoughts and Prayers

Don Mack had a successful surgery last Wednesday and is now home recovering until his next round of surgeries. Please continue to pray for him.

Blake Carter had an MRI last Tuesday and the results on Wednesday showed he has a kidney stone. Remember Blake and his family in your prayers.

Sue Merritt's daughter **Lisa**, spent some in the emergency room with low potassium and is now home. Please continue to pray for her.

Your prayers are requested on behalf of **Chris Dennis**, the son of **Gary** and **Beth Dennis**. He has been diagnosed with Parkinson's, however the doctors are now unsure if this is accurate. He is undergoing more testing for cobalt poisoning, which would be a preferable diagnosis. Please keep this family in your prayers.

"Therefore be careful how you walk, not as unwise men but as wise, making the most of your time, because the days are evil. So then do not be foolish, but understand what the will of the Lord is."
Ephesians 5:15-17

YOUTH NEWS

By **Nathan Kelly**

We had a good group of kids go to the area wide in Blanchard, and I ran into an old friend from Central. So it was a great trip for me. This Sunday we have are dinner and devo at the Hyde's home. We will be having Mexican pile-on. We have been asked to bring a dessert and a drink. I know it's been a while since we've had a dinner and devo, but I hope you will made an attempt to join us. We have the move conference on October 4 & 5, with the option to go worship with them on the 6th as well. Lastly, we have our camp reunion on October 19th. When I get more details I'll let you know.

How do you use your free time? I recently heard a funny story in which a kid asked his parents why the parent got to stay up late and the kid didn't. The parent explained that it wasn't because they wanted to but because they had to do stuff boring adult stuff like clean the house. Later that night the parents were on the couch debating on whether or not they should go to bed or watch one more episode on Netflix. Ephesians 5:15-17 instructs us to live wisely and carefully. Parenting and Christian living are hard. That's why it's important to take advantage of what time you are given, and try not to get sucked into Netflix for too long.
