## FAMILY NEWS

Our God is great. There are many difficult and terrible things that have occurred and will continue to occur because of the Coronavirus. But I also see many good things coming out of this bad situation. Let's continue to pray for God's help and guidance as we do His work. His light shines the brightest in the darkest night. Let's continue to pray for the vulnerable and those at risk during this concerning time. We specifically want to keep all those in harms way serving in public positions. Our sister Amber Curtis (nurse), Ken Whittington (police) and maybe others who due to the nature of their work are exposed to this new virus. We of course also want to remember our elderly and those who already have compromised immune systems. We also want to continue in prayer for all Americans that we may deal with this crisis in the best, Godly way possible. As we all search to find a new "norm" in our everyday lives, let's continue in faith to love and serve, doing the work of our God. Praise God for His love and faithfulness.

### Be the Hands and Feet of Jesus

We all are going through difficult times trying to figure out what to do about this health crisis in our country. This will most likely get worse before they get better. How should we feel about this? What can we do? Jesus calls us to be salt and light in our world.

**"You are the salt of the earth. But if the salt loses its saltiness, how can it be made salty again? It is no longer good for anything, except to be thrown out and trampled by men. You are the light of the world. A city on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. In the same way, let your light shine before men, that they may see your good deeds and praise your Father in heaven.**

**Matt 5:13-16 NIV**

We may be limited by what we can do right now with the Coronavirus but there are some advantages we can find. For example, many are at home with a lot of time on their hands. Maybe we can talk to people over the phone or connect through social media. Let's continue to do God's work until Jesus comes.

Your brother in Christ,  
Jimmy Hyde

## MESSAGE FROM THE ELDERS

With many unable to get out for worship, we are fortunate that several area congregations are providing either a live stream of their worship service, a live stream of a worship program or a stream of a recorded service.

Our worship is being posted to our website shortly after our service on Sundays and the video may be downloaded for viewing. Depending on your internet service, the download could take up to several minutes.

Most are aware of the two programs on Sunday morning:

The Search on at 7:30 on 34.1, CW34, KOCB-TV

The Gospel of Christ, 8:00 on 52.1, KSBI-TV

A more complete listing of area congregations that provide recorded services or live streams is provided by the Christian Chronicle. Go to this link for a list of congregations in Oklahoma:

<https://christianchronicle.org/churches-of-christ-offering-livestream-worship/>

With the disruption to our services during this crisis, you may be looking for a convenient way to give your offering each week. On our website is the online giving service, tithe.ly. You will find it under the "Members" link, then scroll down to online offering, you will then put your information in. Each week this service will either draft or charge a specified amount from your bank account or your credit card. This service is easy to set up and may be terminated at any time.
