GOD'S GLORY

God's "glory" is how we describe the sum effect of all His attributes. Grace, truth, goodness, mercy, justice, knowledge, power, eternity – all that He is. Therefore, the glory of God is intrinsic, that is, it is as essential to God as light is to the sun, as blue is to the sky, as wet is to water. You do not make sun light; it is light. You do not make the sky blue; it is blue. You do not make water wet; it is wet. In all of these cases, the attribute is intrinsic to the object.

In contrast, man's glory is *granted* to him. If you take a king and take off his robes and crowns and give him only a rag to wear and leave him on the streets for a few weeks, when put next to a beggar you'll never know which is which. This is because there is no intrinsic glory. The only glory a king has is when you give him a crown and a robe and sit him on a throne. He has no intrinsic glory.

That's the point. The only glory that men have is granted to them. The glory that is God's is His essence. You cannot de-glorify God because glory is His nature. You cannot touch His glory. It cannot be taken away. It cannot be added. It is His being.

***The heavens declare the glory of God;
the skies proclaim the work of his hands.***

Ps 19:1

Although glory is not intrinsic to mankind, there should be a distinct and elevated spirit of those who call themselves Christians. Paul stated in Phil 2:5 and following that we are to have the mind of Christ – a humble and servant like spirit. In Matthew 5:14 Christ tells us that we are lights and we are in as much as we reflect the spirit and message of Christ in our actions, our words, our thoughts. Paul tells us in Rom 8:17 that we are joint heirs if we suffer with Christ. The promise is that we will be glorified together with Christ. Not in this life, but in the Life to come.

While in this life we should strive to bring glory to Him.

So, whether you eat or drink, or whatever you do, do all to the glory of God. 1 Cor 10:31

A WORD FITLY SPOKEN

We are all familiar with the beautiful analogy in Proverbs 25:11. Here, the "apples of gold in settings of silver" are the right words spoken at the right time and in the right way.

Maybe a situation calls for words of teaching. Just the right words can bring someone to obedience. Maybe the situation demands words of encouragement. Words fitly spoken can cheer a depressed person, or a sick brother or sister.

Some of us are so wrapped up in our own situations that we cannot see that others need those precious words from us that would mean the world to them at that moment.

Perhaps a call to a shut-in would bring joy to their heart. Perhaps a visit to an erring Christian would bring about their restoration. Perhaps a word to a faithful worker in the church would elevate them to greater heights of service. We all have this power to say that "fitly spoken word".
